Vice President and Association Bylaw Committee Chair, Marlin Priest confirmed Bylaw revision complete. Tim to replace in association e-docs.

Treasurer, Bear Lambert updated financial status of the association with highlights being tax filing confirmation as well as good standing bank account to allow scholarships and golf tournament to be paid upfront, prior association revenue being collected. 2024 budget to be developed following November golf tournament.

Bear posed the question of scholarship number and total value to the board. No decision was made as Committee chair, Jared Hasty was not present in the meeting. \

Association president, Chris Algee handled recent and ongoing website updates to include appropriate sponsorship logo usage, contact information, meeting minutes inclusion, and scholarship info.

Membership Committee Chair, Spencer Mitchell outlined a plan including Bear to compile membership information which will enrich our product as an association to current and future membership.

Communications Committee Chair, Tim Eichelberger outlined a plan to create an Instagram account to replace our former account that got locked out due to newly imposed age requirements. Chris and Tim also are working to give all Board Members access to accounts to be able to post content on behalf of the Association. Tim also volunteered to begin building an Association Board Member onboarding packet.

Chris, Bear, and Bill helped to update the board on ABAD golf tournament logistics and current sponsorships. Currently we have 6 confirmed hole sponsors with 3 more in the works. Breakfast sponsorship is still needed.

On the topic of events, Tim suggested we nail down the safety day, 2024 date soon to be able to advertise at the golf tournament. Chris to work on.

December board meeting date and location to be determined but will include a social gathering.
